**If you don't see your insurance, please let us know and we'll gladly add it.**

Unfortunately we are not accepting Medicaid at this time, we are working with them and still waiting to hear back from them. We will update this page once we do. Please call out office and leave your name and number and we will notify you once we do.

**Self pay / no insurance:** we gladly offer 20% off the service and will work on an affordable payment plan. We will never turn away a sick kid.
